## K.A.R. 28-4-114 –Additional Children on the premises

(j) Additional children on the premises. In addition to the number of children permitted under the terms of the temporary permit or the license and specified in subsections (e) and (f), other children may be permitted on the premises.

(1) Not more than two additional children 2 1/2 years of age or older who attend part-day preschool or part-day kindergarten may be present at any time between the hours of 11:00 a.m. and 1:00 p.m. for the noon meal on days that school is in session.

(2) Not more than two additional children at least five years of age but under 11 years of age may be present between the hours of 6:00 a.m. and 6:00 p.m. The additional children may be present as follows:

(A) During the academic school year before and after school, in-service days, school holidays, scheduled or emergency closures, and school breaks not to exceed two consecutive weeks; and

(B) During the two consecutive weeks before the opening of the academic school year in August or September and following the end of the academic school year in May or June.

## K.A.R. 28-4-116. Daily care of children.

(a) Daily activities.

(2) Each child shall be offered a choice of activities and the opportunity to participate. Age-appropriate toys, play equipment, books, and other learning materials shall be available in sufficient quantities to allow each child a choice of activities.

(3) The activities, supplies, and equipment shall be designed to promote the following:

(A) Large motor and small motor development, which may include running, climbing, jumping, grasping objects, drawing, buttoning, and tying;

(B) creative expression, which may include dramatic play, music, and art;

(C) math and science skills, which may include sorting, matching, counting, and measuring; and

(D) language development and literacy, which may include reading, singing, finger plays, writing, and stories.

## K.A.R. 28-4-127. Emergencies.

- (a) A working telephone shall be on the premises. Emergency telephone numbers shall be posted next to the telephone for the police, fire department, ambulance, hospital or hospitals, and poison control center.
- (b) Emergency medical treatment.
  - (1) Each facility shall have on file at the facility for each child:
    - (A) written permission of the parent, guardian, or legal custodian or emergency medical treatment on a form that meets the requirements of the hospital or clinic where emergency medical care will be given; and
    - (B) the name, address and telephone number of a physician to be called in case of emergency.
  - (2) Residential facilities providing emergency care shall be exempt from K.A.R. 28-4-127(b)(1)(A).
  - (3) Provisions shall be made at a hospital or clinic for emergency treatment for children.
- (c) Health assessment forms and emergency release forms shall be taken to the emergency room with the child.
- (d) When a staff member accompanies a child to the source of emergency care, that person shall remain with the child unless or until a parent or parent's designee assumes responsibility for the child. Such an arrangement shall not compromise the supervision of the other children in the facility.
- (e) Reporting illnesses and injuries:
  - (1) (A) Residential facilities shall have on file at the facility written policies on reporting of illnesses and injuries of adults and children.
    - (B) The policies shall be approved by the licensing agency.
  - (2) Day care facilities shall report immediately to the parent or guardian each illness or injury of a child which requires medical attention.
  - (3) Communicable diseases shall be reported to the county health department by the next working day.
- (f) Any injury or illness which results in the death of a child in care shall be reported by the next working day to the county health department or the Kansas department of health and environment.  
(Authorized by and implementing K.S.A. 65-508 and 65-522; effective May 1, 1986; amended May 1, 1987; amended Feb. 26, 1990.)

## June is National Safety Month

Join The National Safety Council and thousands of organizations across the country as we work to raise awareness of what it takes to stay SafeForLife. Observed annually in June, National Safety Month focuses on reducing leading causes of injury and death at work, on the roads and in our homes and communities.

Each week in June, The National Safety Council will be providing downloadable resources highlighting a different safety topic:

- **Week 1 (through June 12):** Stand Ready to Respond
- **Week 2 (June 13-19):** Be Healthy
- **Week 3 (June 20-26):** Watch Out for Dangers
- **Week 4 (June 27-30):** Share the Roads Safely
