

4-14-20 Riley County Daily Coronavirus Update

(RILEY COUNTY, KS – April 14, 2020) The Riley County Health Department was notified of two new positive cases today, bringing the local total to 23. There is also one additional recovered case, bringing that total to eight, as well as 157 negative tests for the county.

Kansas has 50 new positive cases, with a statewide total of 1,426 positives, 327 hospitalizations, and 69 deaths.

“I continue to be proud of the efforts of Riley County residents,” said Local Health Officer Julie Gibbs. “I have seen a lot of people wearing masks, taking precautions, and doing their part to stop the spread. Keep up the great work!”

The Centers for Disease Control and Prevention (CDC) recommends wearing cloth masks in public when social distancing is difficult to maintain. Westview Community Church will accept and distribute cloth mask donations at their location in Manhattan at 615 Gillespe Drive. Additional masks are needed to keep up with public demand and donations can be made Mondays, Wednesdays, and Fridays from 11:00 a.m. to 3:00 p.m. and Saturdays from 9:00 a.m. to noon.

The need for masks continues to be apparent for the local community. They have received a total of about 380 mask donations so far and have handed out 207 since opening yesterday.

Families are limited to three masks. Several business requests have also come in and the church has distributed 12 masks each to the Hospice House, Shepherds Crossing, and St. Francis Ministries.
